

Extended Day Program

Why?

The Renfrew County Catholic District School Board is offering before and after school care to create a seamless day for our youngest learners. Having a system where services are integrated allows our students to move with little difficulty from child care to school. This complementary and harmonized environment will contribute to healthy child development.

What?

- + Our Extended Day Program will be run by registered early childhood educators, who are qualified to supervise child care programs.
- + Healthy snacks will be provided both before and after school.
- + Activities will be engaging, age appropriate and meaningful.

Cost?

Costs will range between \$25.00 and \$30.00 for before and after school care.

Payment methods to be determined.

Will need a minimum of 20 attendees per site in order for the extended day program to be offered.

Please contact Nancy Schimmens-Kirton at the Board Office (613-735-1031) by July 31, 2010 if you are interested in enrolling your child in the extended day program at one of the schools.
