The ARC Chair presented the Committee with Draft #1 of the “Accommodation Review Committee Report and Recommendation to the Director of Education and the RCCDSB Board of Trustees” for discussion and feedback.

The ARC members, in reviewing the ARC Report and Recommendation provided the following considerations for inclusion in the ARC Report and Recommendations.

- The ARC Preferred Recommendation mentions only four of the five schools under review in the Madawaska Valley. The 5th school, St. John Bosco, should be included in the recommendation statement;
- The Board could consider staggered closures;
- The Board could take into account respect for the students’ home parish;
- To make the best possible transition for students and staff, the Board could develop an implementation plan to counter the numerous challenges resulting from school closure;
- Potential job losses for teachers, EA’s and non-teaching staff should be considered;
- An effort be made to make viable re-investments to ensure the schools that are to stay open remain strong.
MOTION #9.4 (Amendment to Motion 7.4)
Motion 7.4 from the ARC Working Committee Meeting dated December 11, 2013 to approve the ARC Preferred Option reads:

“The Preferred ARC Option is to close St. Casimir’s Catholic School effective September 2014, with student destination to St. Andrew’s Catholic School. George Vanier Catholic School will remain status quo. St. Mary’s Catholic School in Wilno will close, however a date for closure should be decided by the Board of Trustees. Destination for St. Mary’s students will be St. Andrew’s, with an option to attend St. John Bosco.”
