The JK students are working on Chalk and Sock activities. We have learned how to print the letters ‘m,’ ‘s,’ 'a,' 'i,' and ‘n.’ This month’s letters are ‘f,’ ‘b,’ ‘t,’ ‘c,’ ‘r,’ ”p,’ ‘l,’ and ‘o.’ The JK’s are learning to keep their chalk on the board and not take it off when forming some letters. They are also being prompted to pinch their chalk to reinforce the tripod grip needed for writing. JK students are given opportunities to take what they have learned in Chalk and Sock and explore letters in their journal booklets. What parents can do at home is to continue to let your child print these letters in their agendas and circle their best printed letter. Practise name writing by creating opportunities where they can print their names (i.e., a food survey for dinner - who wants hamburger, pizza, or noodles? They can print their name under the food they want or daily/weekly activities - swimming, shopping, a movie or the park). During Chalk and Sock activities, Sk students continue to work on learning how to read/write digraphs (i.e., ch, sh, ow, ay, etc.), as well as printing words with long and short vowel sounds. Often, Sk students share the pen during a project and are able to contribute their own ideas during a shared writing activity. Parents can reinforce literacy learning at home by creating a simple treasure hunt with written clues, and cloze type sentences where the children have to find the right word/letters in order to solve the clue to get the treasure (e.g., l __ ok i__s__de th__ bo__. Look inside the box.). Have fun!

Volunteers
SK parental volunteers are needed to help out with the SK graduation. We need two or three volunteers to help out with making graduation caps (measuring student head sizes, decorating the caps). This all could completed in a morning or an afternoon. If you are available June 2nd, please write in your child’s agenda. Also, we will need some goodies for our graduation party. If
there is a SK Mom/Dad willing to take on the task of phoning other SK Mom’s/Dad’s and asking what they can send in, this would be very appreciated. This way, we will not have too much of the same thing. Popular items are cupcakes, a fruit tray, a vegetable tray, and some drinks.

Our Class Trip To Logo’s Land

Trip Date - Wednesday, June 17th. Our rain date is Friday, June 19th.

We will be leaving SJB at 8:30 sharp (hopefully the construction won’t be too much of an issue). Our estimated time of arrival will be around 9:30 (9:40ish). When we arrive, we will be getting day pass bracelets. No money is necessary unless you choose to buy items from the canteen. If you want to see items you can purchase in the canteen visit logosland.com

We will be leaving Logos Land around 1:10 to get us back to SJB for 2:10 (2:25ish)

My recommendation is to pack a paper bag type picnic lunch. I was told that the canteen can get very busy and the lines are long to order and the wait time for food is also lengthy. It was suggested to try to call ahead and order your food for a specific time to alleviate wait times.

Don’t Forget To Pack

Sunscreen
Bugspray?
Bathing Suit (which your child can be dressed in ahead with a shirt/shorts or dress over top).
Dry clothes
Water
Paper Bag lunch
Towels

For more information see the Logosland website. If you have any questions, please don’t hesitate to call me. Please fill out permission form below.
