

RENFREW COUNTY CATHOLIC DISTRICT SCHOOL BOARD
IPRC REVIEW WAIVER

Date (yyyy-mm-dd) [] [] [] Student Name: []

Dear Parent(s)/Guardian:

This letter is being sent to all parents of Identified Students, whose placement is the regular classroom, in order to explain a recent Ministry of Education Memorandum which indicated that the Identification Placement Review Committee (IPRC) review meeting **“is not required when the parents and the school both agree that the student should be placed in the regular classroom”**.

As a parent of an Identified child, you have the right to initiate a request for an IPRC meeting. The purpose of the meeting is to review your child’s placement. If your child’s placement is the **regular classroom** and you wish this placement to continue, the yearly IPRC review is **now optional**.

Parents are always welcome to discuss their child’s IEP programming and progress with the principal, classroom teacher and/or special education teacher through regular parent/teacher interviews, phone calls, case conferences or other scheduled meetings. As a parent, if you find the above options sufficient, then you may choose to **waive** the formal IPRC Meeting usually held in May. Your child will still maintain their current formal identification status. If undecided, please contact the school at your convenience. Please indicate your choice by checking the appropriate box below and return the signed

form to the school by Date (yyyy-mm-dd) [] [] []

Sincerely,

School Principal

Detach and complete this portion and return to school.
