

Dear Parents/Guardians:

This is a copy of your child's Individual Education Plan. It is a working document which describes:

1. The strengths and needs of your child;
2. The special education program to be used;
3. Services established to meet your child's needs;
4. How the program and services will be delivered.

The teachers do not develop the I.E.P. on their own. The I.E.P. is developed collaboratively between the Principal, Special Education Teacher and Classroom Teacher. You know your child best, therefore, your input is vital to the development of your child's program.

Please take the time to read the I E P. and, if necessary, make any additions or changes on the I.E.P. form. Return the I.E.P. if you have modified it in any way. We will issue you your own copy of the I.E.P. when the changes have been discussed and agreed upon.

If you do not wish to make any additional changes, please detach and sign the back page of the I.E.P. and return to the school as soon as possible.

The Learning Disabilities Association of Ontario and the Ministry of Education have created an on-line workshop entitled IEP 101. This workshop was developed to help parents and students understand their role in the IEP process. It can be accessed at <http://ldalearning.ldao.ca/login/index.php>

Sincerely,
