**Parent Tip**

**Tutors in the classroom**

St. Anthony's is happy to welcome Mitchel Schroeder and Maggie Gordon as our "Tutors in the Classroom." They will assist in the preparation of the EQAO assessment. They will be with us from May 6th until June 4th.

**School Registration**

Please note, we continue to accept registration for kindergarten as well as other grades. If you are interested in registering your child, feel free to contact the school.

**EQAO Update**

The Grade 3 and 6 students have been working diligently on preparing for the upcoming EQAO assessments in late May, early June. Parents are encouraged to continue to read, write and practice math with their children at home daily. **The EQAO testing runs for Grade 3: May 26, 27, 28, June 2 and 3rd. Grade 6: May 28, 29, June 2 and 3rd.** Please make sure that your child is here for all of these dates.

**76th Annual OAPCE Conference comes to Pembroke**

The Ontario Association of Parents in Catholic Education (OAPCE) 76th Annual Conference, AGM, and Gala Dinner will be held in Pembroke May 29-30, 2015. Co-hosted by the Renfrew County Catholic District School Board, the full-day conference is open to parents and educators from all boards and schools. For workshop information and/or to register, visit our website at [www.oapce.org](http://www.oapce.org)

**DESTINATION IMAGINATION!**

Wishing all of the DI-007 Destination Imagination team best of luck as they travel to Knoxville, Tennessee later this month. We are so grateful for the outpouring of support that we have gotten from the community to help offset the cost of travel. St. Anthony's Catholic School is truly a SCHOOL TO BELIEVE IN!

**Online Videogames**

How can a parent tell if a child's Internet use is healthy or not? Internet use becomes a problem when it begins to cause a decline in terms of what healthy adolescents are expected to achieve, such as maintaining grades participating in family life and keeping up friendships.

Health Walk-in Clinics  
 Steps parents can take to intervene early and help prevent problems:

- Be aware of your children's Internet activities.
- Spend time learning about Internet and gaming materials popular with youth.
- Consider using a shared computer in the family room of your home.
- Encourage "offline" activities such as sports and social meetings with peers. Discuss possible dangers and impacts of Internet use.
