

Kids get in free with the

at 18 Ontario attractions

This summer, fun costs less. Through the 2015 Fun Pass, Ontario has [18 popular attractions](#) across the province offering free admission for one child when they bring along a paying adult. Parents also save \$2 on a daily parking permit at selected [Ontario's provincial parks](#).

Learning doesn't stop when school ends. Your kids can learn and have fun during the summer months by visiting one of Ontario's attractions – from seeing exotic butterflies up close at the Butterfly Conservatory in Niagara to stargazing at the David Thompson Astronomical Observatory at Fort William Historical Park in Thunder Bay.

Simply bring a coupon – found in the 2015 Fun Pass booklet or at Ontario.ca/funpass – to any participating attraction. It's that easy. Visit our website for more information about the Fun Pass program and to download the e-pass. And make sure to watch for the 2015 Fun Pass with your kids' report card in June!
