Chalk River Library:

Come by the library and check out our mini makeover. As always, we strive to create a friendly environment to check out our latest books and DVDs, take advantage of the computers and free Wi-Fi and to participate in some of our programming.

All students are invited to attend the library's new After School Club. It's runs every Monday from 3- 5:30pm. Students can work on homework, play games, use the computers or join in the librarian's activity for the club. The last Friday of each month the club will have Pokémon trading. It's free and no registration is required.

Our Super Story Time program runs every Thursday at 11am. We read great books, sing silly songs and have some fun crafts and activities. Each week has a different theme. All ages are welcome, but the program is geared to toddlers and pre-schoolers. It's free and there are registration required.
