Year-End Message

It is hard to believe that the 2018-2019 school year is drawing to a close. St. Andrew's is a beautiful school, with a legacy of tradition and excellence and I am very proud to have been a part of this school community. I am thankful for the exceptional support of our parents and the local community and for the staff and students who make St. Andrew's a place of learning and believing.

We are thankful to Ms. Amanda Duhn who has completed her role as SERT this spring. We wish her well and will miss her presence in the school. We also wish all students who are leaving us the best in the future. I am grateful for the many kind messages and thoughtful gifts that I have received as I prepare to leave. It is hard to say good-bye to all of you!

May the road rise up to meet you.
May the wind be always at your back.
May the sun shine warm upon your face;
the rains fall soft upon your fields
and until we meet again,
may God hold you in the palm of His hand.

Birthdays

Our apologies to Evan Walsh (June 13th) who was missed in our June Newsletter. Happy Birthday, Evan!
