Camp Programs Summer 2018 – 66 at BSCHS and 68 at St. Joseph's HS
Summer School Programs Summer 2018 – 191

The process for deciding whether a student with special needs will be transported with other children or whether it is in the best interests of the student to be transported separately.

The decision is made at the school level by the principal and their team. This most often occurs during an IPRC meeting, although not always. Specialized transportation requests are reviewed by the Coordinator of Special Education and if approved, the request is then sent to the Transportation Consortium.
