The focus and commitment of the Accessibility Working Group includes:

- Conducting surveys and consulting with schools, staff and students to determine present barriers with respect to supports, services, and facilities in the school board;
- Examining the reasons ‘why’ certain barriers exist and determining how these barriers will be addressed, prevented and removed;
- Preparing reports and supporting documentation regarding current states and practices with regards to barriers and services for those with disabilities;
- Updating and presenting the Accessibility Plan to the Special Education Advisory Committee and the Board of Education for approval at least once every five years;
